Short Description

ADVMoto Logo Sport-Tek Super Heavyweight Pullover/Hooded Sweatshirt. Stay warm when the temperature drops while staying faithful to true adventure.

Description

ADVMoto Super Heavyweight Pullover/Hooded Sweatshirt - This premium quality hoodie is sure to please and keep your warm in the Fall, Winter and Spring. We regularly wear it from freezing temperatures to lower the 60's.

Made from the heaviest 12oz. cotton we could find, this quality garment features a fleece interior and an expandable side gussets for great comfort, freedom of movement and better universal fit. The hoodie section itself a 2-ply double layer and super warm with metal loops around the drawstring ports. Although this is the most expensive wearable item in the store, hoodie lovers will appreciate the solid build lounging around, outdoors or working in the garage.

Stay warm when the temperature drops while staying faithful to true adventure.

- 12-ounce, cross-grain 80/20 ring spun combed cotton/poly
- Twill-taped neck
- 2-ply hood with dyed-to-match lining and drawcord
- Rib knit side gussets
- 2x2 rib knit cuffs and waistband with spandex
- Front pouch pocket
